TEACHER'S GUIDE

## NECESSARY MATERIALS

- Paper
- Colored pens or pencils
- Magazines (for cutting out images)
- Scissors and glue

## DETAILED DESCRIPTION

### INSTRUCTIONS

1. Each student receives a sheet of paper and access to colored pens, pencils, magazines, scissors, and glue.
2. Instruct students to think about what makes them unique, including their hobbies, interests, strengths, and dreams.
3. Students will draw or create a collage on their paper that represents these personal attributes.
4. After 30 minutes of crafting their sheets, each student will present their "A drawing about me" collage to their small group, explaining the significance of the items they chose to include.
5. Encourage classmates to ask questions after each presentation to foster understanding and dialogue.

### DEBRIEFING QUESTIONS:

1. What did you learn about yourself through this activity?
2. How did it feel to share your collage with others?
3. What did you learn about your classmates during this activity?
4. How can understanding yourself better help you in school and in your relationships?

### OTHER USEFUL INFORMATION:

This activity can be adapted for different age groups by modifying the complexity of the discussion questions and the collage components.

Consider a follow-up session where students reflect on any changes in self-perception over the school year.
